**Subject:** RE: NE Response - Variation of regulations 5 & 22(4) & 5 - Riverside Energy Park DCO (RRRF) (C/O Kerry Crowhurst)

Dear Sir/Madam,

Our Ref: 353343

Consultation: Riverside Energy Park DCO - Consultant - Application to vary the current section 36 of the Electricity Act 1989 - Variation of regulations 5 & 22(4) & 5. Riverside Energy Park DCO

Thank you for consulting us on the above matter. Having reviewed the documentation, it is our opinion that the proposed changes to the operation of this scheme will not overly affect any priority areas for Natural England, and that the changes will have limited impacts on air quality at designated sites. Therefore we do not object to the proposal. However, if you are aware of any reason why Natural England should comment further on this application please let us know as soon as possible.

Best wishes,
